ONETECH[®]
DRYDOCKS &
SHIP REPAIRS

ONE OPPORTUNITY A WORLD OF POSSIBILITIES

One Tech Drydocks & Ship Repairs represents the **highest caliber shipyards** and **service workshops** around the world, for any drydocking or urgent ship repair that the customer might need.

In addition, the company represents leading **anti-corrosion marine coating suppliers**, which is revolutionary as it cures under water and can be applied in wet areas with no time waste and only hydro blasting ensuring tremendous cost savings to its customers.

THESE ARE THE REASONS WHY TO CHOOSE US!

- Our main concern is to satisfy our customers' needs and requirements.
- To deliver on time at competitive costs.
- The geographical location and the good reputation of our shipyards' representations along with the very good cooperation we maintain between our shipyards and our customers.

SHIP REPAIRS & SERVICES

➤ Ship Repair Yards Worldwide

Representing the world's most reputable shipyards with great geographic accessibility.

➤ Specialized Marine Coatings

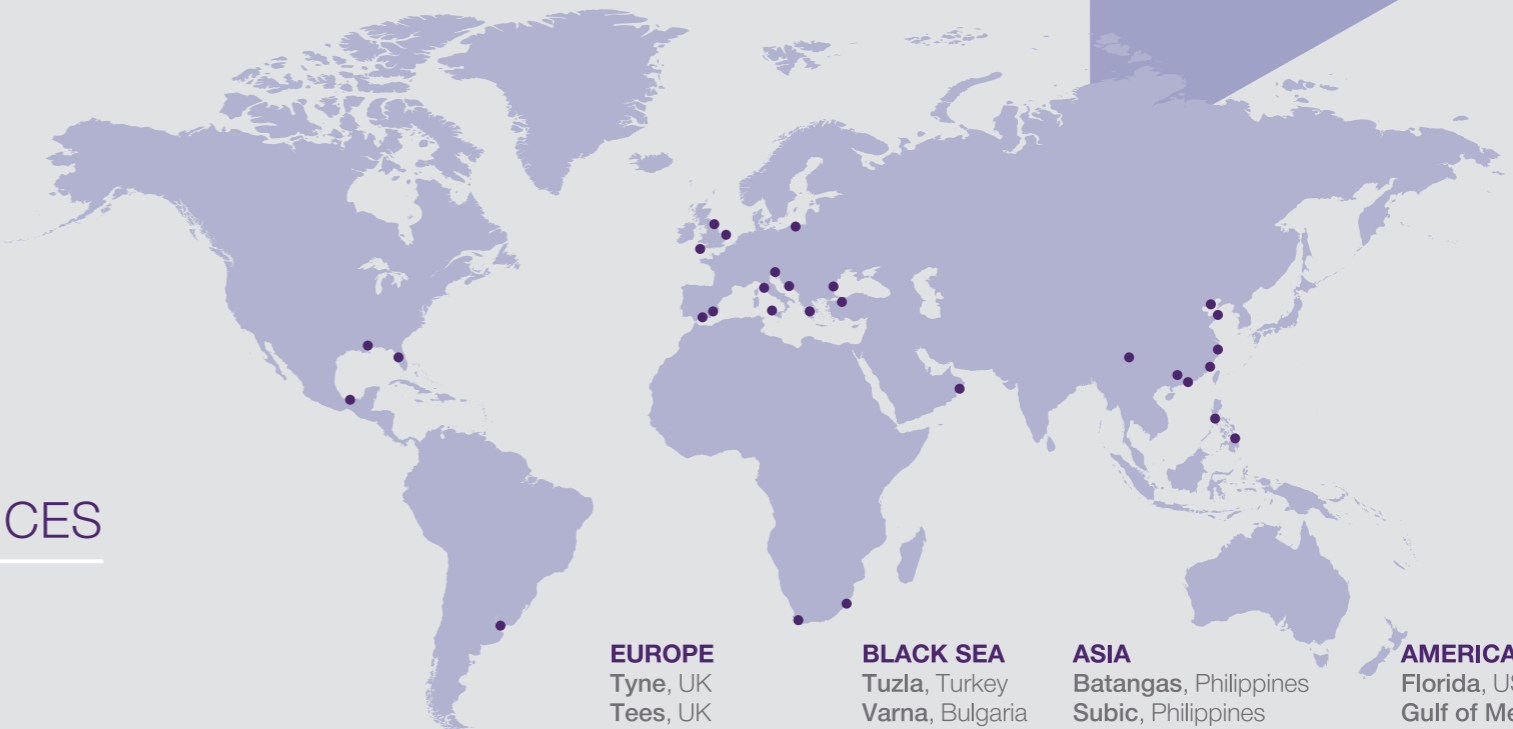

Innovative, solvent-free coating technologies that provide long-term corrosion protection for the most demanding applications.

➤ BWTS Installations & Commissioning

Pioneer ballast water management systems (BWMS), remaining firmly fixed upon protecting marine environment.
